Philippine War About Over.

American Troops and Navy Making Spiendid Campaign in Luxon.

SMIP'S CREW EATER BY CARRIDALS.

Washington, Jan. 26 .- The senate com mittee on commerce to-day gave a hear-ng to representatives of a number of Susiness organizations throughout the country in support of a bill to amend the tions. He commended the pending bill, the conference, are given as the reasons saying that it had been framed with a for forcing a size dis adjournment. Opersaying that it had become impotent and made valuetes and that interstate commerce. The valuates and that interstate commerce
commission was nothing more than a
made. The executive assion of the miners
adjourned at 13 o'clock. The radical element favored holding out for 30 cents
increase and run the mines with flat differential of 7 cents between hand and
machine. interests were not co operating with this movement. He called attention to the recent change in freight classification, made by the raticonds, which he said left carlead rates on oil practically where they were, while it raised the rate on fractional carload rates 200 to 300 per cent. This was in the interest of the

Standard O:1 company.

Barry expressed the opinion that the Minneapolis miliers were receiving diseriminatory ra'es from the railroads Barry also made complaint of discriminbetween the railroads in favor of was due to the fact that many railroad men were large owners in the elevators. Augustine Gallagher, of St. Louis, a commissioner of the Millers' National association, spoke especially on the intertion. He said the railroads were not con tent with controlling the mines and forests of the country, but were now at-tempting to control the ballots of the people along their lines. He contended that the railroad systems of the middle west, as far as the grain interests are

Gallagher, in response to the inquiry of Chairman Cullom, said that he firmly elleved that the ad ption of the amendment proposed by the national board of trade would produce results immensely eficial to the whole people. He denied t he favored a railroad trust. "You want ther," inquired Senator Allen, authorize the ratiroads to maintain their "That's it," replied Gallagher "Well," said Allen. "that's another name for the prominent officials, are this afternoon in
